

BIR ANNUAL CONGRESS 2021

4–5 November

VIRTUAL EVENT

Sponsorship opportunities – early bird

BIR ANNUAL CONGRESS 2021

4–5 November

VIRTUAL EVENT

The BIR Annual Congress continues to grow. After being sold-out consecutively in 2018 and 2019, and a phenomenal registration in 2020, we are back this year with six exciting streams and seven topics that offers a comprehensive programme on the latest innovations in imaging and treatment to medical imaging professionals.

Taking place over two days, the virtual event provides excellent opportunities to engage and interact with attendees, speakers and industry representatives in an open and relaxed format.

This multidisciplinary event will appeal to anyone within radiology, radiation oncology and the underlying sciences, including radiologists, physicists, radiology managers, radiographers, oncologists, clinical scientists, physicians, radiation protection advisers, directors and supervisors.

Early bird rates extended and expire on Friday 8 October 2021 – book now!
