

- e001 **How can we make a consultant post more appealing to radiology trainees?**
*Siane Davies*¹; *Christopher Cook*², ¹University Hospitals Bristol NHS Foundation Trust; ²Weston General Hospital
- e002 **A survey exploring personalised medicine among radiography academics within the United Kingdom**
*Jerome Atutornu*¹; *Christopher Hayre*², ¹University of Suffolk; ²Institute of Applied Technology, Abu Dhabi
- e003 **Peer-to-peer buddy support for student radiographers**
Sophie Willis; *Jane Harvey-Lloyd*, University of Suffolk
- e004 **Patient focused informed consent in an imaging department**
Paula Merry; *Kirti Thakor*, Paul Strickland Scanner Centre
- e005 **Email helpline for non-urgent radiological advice - experience in North Wales**
Johnson Chen; *Conor Corr*; *Praveen Govind*, Betsi Cadwaladr University Health Board
- e006 **Reporting the reported - an analysis of the incidents for a hospital-based MRI unit**
Apollo Exconde; *Bernard Walter*, InHealth Ltd - Croydon University Hospital
- e007 **Initiation of inter-departmental management of malignant ascites in a tertiary centre - a quality improvement project**
*Siona Growcott*¹; *Hannah Lyons*²; *Helena Barton*¹; *John Hughes*¹; *Huw Roach*¹; *Lorna Hawley*², ¹Bristol Royal Infirmary; ²Bristol Haematology and Oncology Centre
- e008 **Improving imaging workflow in a clinical trials setting**
Stephen Gallagher, The Christie NHS Foundation Trust
- e009 **Dual energy imaging - technical approaches, protocol optimisation and clinical applications**
Wei Liang Hong; *Chidambaram Viswana Anad*, Singapore General Hospital
- e010 **The role of 4D CT in diagnosing and guiding treatment of hyperparathyroidism**
Oliver Czarnecki; *Alastair Oakes*; *Sanjin Idriz*, Royal Surrey County Hospital
- e011 **High density contrast mimics causing interpretation error: A pictorial review**
Charlotte Jones; *David Shatti*; *Garrett McGann*, Cheltenham General Hospital
- e012 **Clinical audit on the appropriateness and accuracy of information provided on ultrasound requests in the deep venous thrombosis service for suitable vetting and justification**
Haisum Qayyum; *Preeti Arora*; *Navin Khanna*, Pennine Acute Hospital Trust
- e013 **CT scan of the mandible: Dose optimisation in practice**
*Suzannah Patel*¹; *Andrew Shah*²; *Cherith Desmeules*¹; *Paula Merry*¹; *Subhadip Ghosh-Ray*¹, ¹Paul Strickland Scanner Centre; ²East and North Hertfordshire NHS Trust
- e014 **Dose comparison of three Computed Tomography (CT) scanners**
Suzannah Patel; *Rachael Bowie*; *Vicki Major*; *Andrew Gogbasian*; *Andrew Shah*, Paul Strickland Scanner Centre
- e015 **Are we adequately completing pregnancy questioning prior to radiographs that expose the developing foetus?**
*Yasser Al-Obudi*¹; *Nicholas Reading*²; *Markus Abdulrehman*²; *Hasanein Al-Hasani*³, ¹West Hertfordshire Hospitals NHS Trust; ²Barts Health NHS Trust; ³King's College Hospital
- e016 **Rebooting Lu-177 DOTATE therapy for NETs: Balancing dosimetry vs additional imaging**
Jacqueline Roberts, Leeds Teaching Hospitals
- e017 **A re-audit of trends in MSK shoulder ultrasound referral**
Yashoda Gurung Koney; *Frederick Barber*; *Geeta Kapoor*; *Richard Goodwin*, Norfolk and Norwich University Hospital
- e018 **Shoulder hydrodilatation, an effective treatment option for adhesive capsulitis: outcomes over a 2 year period from a district general hospital**
Snehansh Chaudhary; *David Gendy*; *Ynyr Morus Edwards*; *Gary Rosbotham-Williams*, Warrington and Halton Hospitals NHS Trust
- e019 **What's outside the box? Clinically relevant findings outside the spine on spinal MRI**
*Bankolu Alo*¹; *Kemi Alo*²; *Hyeladzira Tahal*³, ¹St George's University of London; ²Royal Orthopaedic Hospital Birmingham; ³Great Western Hospitals NHS Foundation Trust
- e020 **Using abbreviated MR protocol in suspected cases of cauda equina; a simple solution to reduce scanning time**
Afshin Nasoodi, EMA Diagnostics Dublin
- e021 **Causes of chronic foot pain: A radiological review**
Fatima Ahmed; *Khizer Rana*, Sandwell & West Birmingham Hospitals NHS Trust
- e022 **A review of NICE guidelines for radiological imaging in head and neck trauma**
*Fatima Ahmed*¹; *Inderbir Jassel*²; *Khizer Rana*¹; *Rehaan Nensey*¹, ¹Sandwell & West Birmingham Hospitals NHS Trust; ²Medacs Healthcare
- e023 **Deep Face Mine: Exploring the pterygopalatine fossa and its pathological significance**
Lucy Hilder, University Hospitals Bristol
- e024 **Kimura disease from Asia to Europe and beyond: A challenge for radiologists**

- Stavroula Theodorou*¹; *Daphne Theodorou*²; *Yousuke Kakitsubata*³; *Sachiko Kakitsubata*⁴; *Yuko Miyata*³; *Daian Takehiro*³, ¹University Hospital of Ioannina, Greece; ²General Hospital of Ioannina, Greece; ³Miyazaki Konan Hospital, Japan; ⁴Miyazaki Shiminnomori Hospital, Japan
- e025 **Improving patients' experiences of radiotherapy using co-design**
Russell Fitchett; Lucy Fitchett; Alex Martin, Norfolk & Norwich University Hospital Foundation Trust
- e026 **Rosai-Dorfman disease (sinus histiocytosis): Nodal and extranodal manifestations of disease with long-term follow up**
*Stavroula Theodorou*¹; *Daphne Theodorou*²; *Savvas Tsigas*²; *Thomas Tzimas*², ¹University Hospital of Ioannina, Greece; ²General Hospital of Ioannina, Greece
- e027 **An evaluation of the role of imaging in the diagnosis of boxing related chronic traumatic encephalopathy**
*Joseph Connor*¹; *Zainab Hussain*²; *Dean Harris*², ¹Knowlsey and St Helen's Hospital Trust; ²Department of Diagnostic Radiography
- e028 **Appropriateness of the addition of CT c-spine imaging in the context of trauma CT head examinations**
Leon Sergot; Toby Hall, Royal United Hospital Bath
- e029 **Listeria encephalitis: Dreaded manifestations of serious CNS infection**
*Stavroula Theodorou*¹; *Daphne Theodorou*²; *Soultana Papadopoulou*¹; *Vasilios Gogos*¹; *Anna Gotsi*²; *Avraam Ploumis*², ¹University Hospital of Ioannina, Greece; ²General Hospital of Ioannina, Greece
- e030 **MR imaging evaluation of cranial nerve III (oculomotor) palsy from brain to the eye**
*Stavroula Theodorou*¹; *Daphne Theodorou*²; *Soultana Papadopoulou*²; *Vasiliki Tzeliou*²; *Anna Gotsi*²; *Avraam Ploumis*¹, ¹University Hospital of Ioannina, Greece; ²General Hospital of Ioannina, Greece
- e031 **Pareidolia in interpreting imaging: Recognising the need to recognise**
*Surina Taneja*¹; *Vignesh Gopalan*¹; *Sundip D, Udani*², ¹University College London; ²National Hospital for Neurology and Neurosurgery
- e032 **Implementation of BrainLab ExacTrac imaging with Stereotactic Radiosurgery (SRS) for patients with cancer of the brain and brain metastasis**
Clare Knee; Deborah Thornberry; Bansi Mulji-Shah; Diana Grishchuk; Mark Chan; Robert Richardson; Jonathan Nelson; Matt Williams; Alison Falconer; Waqar Saleem; Mark Elsworth; Katie Perkins, Imperial College Healthcare NHS Trust
- e033 **Paediatric CT brain imaging in non head injury**
Alexander Johnson; Shalini Nandish; Soraya Hachemi; Camilla James, Calderdale and Huddersfield NHS Foundation Trust
- e034 **Breast planning without couch angles**
Anthi Alexandrou; Natasa Solomou; Ghafour Hallaji Zahmatkesh; Sarah Betts, Norfolk & Norwich University Hospitals NHS Foundation Trust
- e035 **NHS breast screening programme - can we safely reduce our clinical recall rate?**
Jennifer Birtchnell; Gillian Hutchison, Manchester University Foundation Trust
- e036 **National optimal lung cancer pathway audit - early experience at a major acute care centre**
Jacob Whitworth; Toby Hall, Royal United Hospitals Bath
- e037 **Radiographer-led target volume definition for SABR lung patients**
Alex Martin; Russell Fitchett, Norfolk & Norwich University Hospital Foundation Trust
- e038 **RapidArc with avoidance sectors for the treatment of lung and oesophagus cancers**
*Nilesh S Tambe*¹; *Craig Moore*¹; *Isabel M Pirce*²; *Raharshi Roy*¹; *Sanjay Dixit*¹; *Andrzej Wiczorek*¹; *Nabil El-Mahdawi*¹; *Sunil Upadhyay*¹; *Andrew W Beavis*¹, ¹Hull and East Yorkshire Hospitals NHS Trust; ²Faculty of Health Sciences, University of Hull
- e040 **CT-Guided percutaneous Lung Biopsy: Lessons from a completed audit cycle**
*Nardia Poole*¹; *Guven Kaya*¹; *Hatef Mansoubi*², ¹Brighton and Sussex NHS University Trust; ²Western Sussex Hospitals NHS Trust, St Richard's Hospital
- e041 **When push comes to shove - identifying pathology on plain radiographs based on the movement of structures**
*Susan Hesni*¹; *Ali Vahedi*², ¹Imperial Radiology; ²Liverpool Deanery
- e042 **Systemic sclerosis (scleroderma): Cardiac MR imaging manifestations**
*Stavroula Theodorou*¹; *Daphne Theodorou*²; *Dimitrios Rizos*²; *Thomas Tzimas*², ¹University Hospital of Ioannina, Greece; ²General Hospital of Ioannina, Greece
- e043 **Impact of advanced practice CT colonography role development on service provision**
Louisa Edwards, ABMU Health Board
- e044 **Advanced practice CT colonography radiographer reporting audit**
Louisa Edwards, ABMU Health Board
- e045 **Improving the patient experience by modifying CT colon pre-procedure information within an Advanced Practice Radiography role**

- Louisa Edwards*, ABMU Health Board
- e046 **The diagnostic yield and rate of alternate diagnosis when using CTKUB to assess acute renal colic**
Emily Smith; Amna Ahsan; Rehaan Nensey, Sandwell and West Birmingham NHS Trust
- e047 **Evaluating positive CT-KUB findings with referrer speciality: Is there a link?**
*Sarus Jain*¹; *Emily White*², ¹Royal Blackburn Hospital; ²East Lancashire Hospitals NHS Trust
- e048 **Prostate MRI reporting: Do we include the necessary information required by PI-RADS 2?**
Victoria Jackson; Suraj Amonkar; Shyam Sunder; Michael Adeleye, Pennine Acute Hospitals Trust
- e049 **The radiological spectrum of renal and extra-renal complications in patients on long-term haemodialysis**
Manaswini Choudhary; Manish Gupta; Chooi Oh, Royal Preston Hospital
- e050 **Barriers to discussing erectile dysfunction in men having hormone-radiotherapy for prostate cancer**
Philip Reynolds, Clatterbridge Cancer Centre
- e051 **Renal stones disease**
Nora Alohaly, Glasgow Caledonian University
- e052 **Radiology investigation in malignancy induced hyponatremia**
Morteza Afrasiabi; Neda Noroozian; Nick Watson, University Hospitals of North Midlands
- e053 **A case for reducing palliative bladder radiotherapy margins**
Rachel Brooks; Rachel A Pearson; Karen Pilling; Bethany Ormston; Ian Pedley; John Frew; Rhona McMenemin, Newcastle upon Tyne Hospitals
- e054 **Visualisation of the fetal bowel on antenatal and post mortem magnetic resonance imaging scans**
*Georgia Hyde*¹; *Andrew Fry*²; *Elsbeth Whitby*¹, ¹University of Sheffield; ²Sheffield Teaching Hospitals NHS Foundation Trust
- e055 **HELLP!! Radiology HELLP!! A case report of hepatic rupture due to HELLP syndrome**
Thevarajah Vijayar; Manish Gupta, Royal Preston Hospital
- e056 **Blurred lines: A pictorial review of vascular access catheter placement**
Isabel Cornell; Aisling Fagan; Sara Ffrench-Constant; Samir Mahboobani; Neeral Patel; Edward Barden, Imperial College Healthcare NHS Trust
