# BJR

AN INTERNATIONAL JOURNAL OF  
RADIOLOGY, RADIATION ONCOLOGY  
AND ALL RELATED SCIENCES

*BJR | Case Reports* is the fully open access Case Report journal of the BIR and covers imaging, radiation oncology and the underlying sciences.

*BJR | Open* is the fully open access research journal published by the BIR. *BJR | Open* mirrors the scope of sister journal *BJR*, providing our community with a reliable open access home for their work and competitive APCs.

*BJR* is the flagship research journal of the BIR and covers the clinical and technical aspects of medical imaging, radiotherapy, medical physics, radiobiology and the underpinning sciences.
